

Welcome Back, Orchard Farms Families! We are so excited For the 2021/2022 school year! We cannot wait to get back to some of our regular activities this year.

The mission of our PTO is to promote a better school and a better educational experience for our children. We do this by hosting many activities throughout the school year that enhance their overall learning with enrichment, cultural arts, and social activities. In addition we have also purchased new basketball hoops, computer carts, and much more over the years.

Many of these programs cannot be done without our parent volunteers. We would like to encourage all parents to become active members in our PTO. We have numerous activities that parents can volunteer for, whether it is during school, after school, or at home from your computer. The PTO cannot run without your help.

How can you become involved? To start, you can sign up for our PTO membership by scanning the QR code or clicking on the link. Your PTO dues help pay for our events and enhance your child's experience this school year. When signing up for a PTO membership you have the option to select any of our great committees to join if you are interested.

We are looking forward to an exciting school year and seeing all of you at our upcoming PTO meetings.

Thank you!

Your PTO Executive Board
